AI SPEAKER | STRATEGIST | TRAINER

FOUNDER, ALBRIGHT AI AGENCY & WOMEN RUN AI

Linda Albright

Strategy first. Tools second. *Human always.*

Early Adopter with 25 years building and running companies.
Human intelligence in the age of AI.

Recent rooms: George Washington University, SHRM, CT Technology Council, AI Day Hartford

30+ talks, panels and firesides since 2025

A team of **10+ AI agents** run our company

BACKGROUND

Founder first

Founded Series A company, "Next Monet.com," sold before the crash of 2000. Focus since then: go-to-market & scaling tech companies.

US military and government

Delivered 12 AI training programs for US Military and federal agencies.

Art historian turned technologist

Dartmouth-trained art historian and former museum curator. Unique perspective: reads the AI moment like the shift from the medieval world to the Renaissance.

SIGNATURE TALKS

FOR BUSINESS OWNERS

The Blockbuster/Netflix Moment

Why Waiting on AI Is the Risky Move

FOR LEADERS AND TEAMS

Leading Through the AI Shift

How to Adopt AI Without Terrorizing Your Team

FOR WOMEN'S ROOMS

Will AI Eat Us for Lunch?

Not If Women Are in the Room

Fresh topics. AI changes daily; each talk reflects the room and the month.

Winner, Entrepreneurial Innovation and Leadership, Connecticut Women of Innovation Award 2026

CURRENT INITIATIVES

Women Run AI Movement

Getting women into the rooms where AI is shaped. AI Leadership Level 1 and Level 2 Programs & Certificates.

Growing the CT AI Ecosystem

Member: Governor's Council on Women and Girls. Co-founder, AI Collective Hartford Chapter. Organizer, Women in AI at AI Day Hartford.
